HOST A RAIN GARDEN WORKSHOP

Learn how to build your own rain garden to help soak up rainwater from downspouts, driveways, and sidewalks while protecting our local waterways. At the workshop, you'll learn how to design your own rain garden. Then you will get hands-on experience by planting a rain garden in our beautiful Jackson North Park.

RAIN GARDEN WORKSHOP

Saturday, May 8, 2010

9:00 am - 12:00 pm

Jackson Township Hall, 5735 Wales Avenue NW

NO CHARGE

Attend the workshop to learn:

- How to design & size your rain garden
- Which plants to pick
- Installation
- Easy maintenance at home

Begin the morning with a presentation and continental breakfast at the Jackson Township Administration Building. Then we will get our hands dirty for the hands-on rain garden installation.

To register, call Jackson Township Administration at:
