

Master Gardeners of Stark County

Continuing Education

Considering Human Nature in Landscape Design

When: Tuesday September 14 2010

Time: 2:30 social, 3:00-4:30 presentation

Where: Stark Extension office

Maureen E. Austin, Ph.D.
Agriculture & Natural Resources Educator
OSUE Stark County, Crossroads EERA

Join Maureen as she explores with us the human-nature connection, the costs of managing information, and highlights opportunities for restoring ourselves through the design and management of nearby nature.
